.. The Boston Herald has been struggling to frame a definition for a "tramp," which should not include too many people. After long deliberation, it proposes the following for the dictionary of the future: Tramp -- An impecunious gentleman of superabounding leisure, who perambulates the country ostensibly in search of employment, but in reality a and giving no recompense, either in money, labor, or ideas, therefor. An unauthorized forager on the country at large. Synonyms-Beat, dead-beat, bum-B .-- The definition does not apply to lyceum lecturers, Dr. Mary Walker,

Pratt or the soap man.

Ulysses S. Grant, Sergeant Bates, Daniel

The Russian Invalide, discussing the

the Turks have been able to carry out during the present campaign is to be mainly attributed to the use they made of their rapid-firing rifles, and to the manner in which they artificially strengthened the ground they held. As a rule, the Turks opened a heavy and sustained fire upon an assaulting column at a distance of 2,000 yards, and thus inflicted great loss upon the men latter arrived within about six hundred yards of the position, after which time the greater number of projectiles passed over the heads of the assailants. To provide for the maintenance of this fire large boxes of cartridges were kept in convenient places in all the Turkish entrenchments, in addition to the large supply of ammunition issued to the men a doctor!" cried Harold as the crowd fell tenant, when a sight met the eyes of tenant, when a sight met the eyes of from their trenches to a counter attack, Finally Ed. broke forth, "I say, Maniece's swollen eyelids and flushed by them. On the steps of the vault sat, feelings of awe and horror which quite by them. On the steps of the vault sat, boxes of cartridges. During the last attack upon Plevna it is estimated that the men who opposed General Skobeleff's onslaught must have fired between four hundred and five hundred rounds each, and in the immediate neighborhood of some of the isolated killed remaining on the battlefield of the 20th of August, more than one hundred and twenty empty cartridge-cases were found. The works constructed by the Turks for the defense of their positions usually consist, in the first place, of strips of simple of reward as in the matter of punishment. shelter trench to cover their skirmishers. These are gradually deepened and enhappier there for having acted according larged until they come to assume a to his highest ideal in this. But I do formidable profile. Traverses, generally hollow, are next thrown up, to protect the defenders against enfilade or reverse fire; and finally bomb-proof accommodation for the men, secure magazines for "Look hear, mar's John, ain't you the ammunition, and convenient stowage

LET BYGONES BE BYGONES. Let bygones be by ones; if bygones were clouded By ought that occasioned a pane of rigiet, Oh, let them in da kest oblivion be shrouded, 'I's wise, 'tis kind to forgive and forget.

Let bygones be bygones, and good be extracted
From ill over which it is folly to fret;
The wisest of mortals have feelishly acted— The kindest are those who forgive and forget. Let bygones be bygones; oh, cherish no longer the thought that the sun of Affection has set;

Eclip ed for a moment its rays will be stronger If you, like a Christain, forgive and forget. Let bygones be bygones; your heart will be lighter.
When kindness of yours with reception has met;
The firms of your love will be purer and brighter
If. Godlike, you strive to forgive and forget. Let bygones be bygones; oh, purge out the leaven
Of malice, and try an example to set
To others, who craving the mercy of heaven,
Are sadly too slew to lorgive and forget.

Let bygones be bygones; remember how dreply To heaven's forbearance we all are in debt: They value God's Inflaite goodness too cheaply To heed not the precept, "Forgive and forget."

RELIGIOUS READING.

Hunger and Thirst. How many of us, like Tantalus, Seem placed in a garden fair, Where cherry and peach, just out of our reach Swing out of the golden air.

Or, what is worse, with fiery thirst Where slivery waters gleam, With never a slip for our fevered lip From out the cooling stream.

With hungry minds our hard lot binds While we delve at a patch of its soll. With thirsty hearts we act our parts

Where others bathe and drink, The waves recede in our great need. Just as we reach the brink.

Ah, so it seems in our yearning dreams For what b yond us lies; The little round to which we are bound We talk with fruitless sighs. Until at last, after our fast, we look to the Giver of Good, And manua fails at our we ping calls, And we gather sweetest food. A fountain we find for our thirsty mind,

d whoever will design will never thirst again. - Ellen O. Peck. A Rich Man's Experience.

Which never recedes from men,

And whoever will drink at its crystal brink

Self-love-acting only in self-indulgence -is a fatal passion.
